

## TURNING VALUES INTO PURPOSEFUL IMPACT

At APG Companies, our mission extends beyond delivering exceptional real estate services to our clients. We are deeply committed to supporting organizations that enhance the well-being of our communities.

In alignment with our core values, APG proudly provided over \$178,000 in cash funding to over 50 local organizations addressing critical needs such as housing, education and humanitarian support. Our community partners in 2024 included [Housing for New Hope](#), a Durham-based nonprofit dedicated to ending homelessness by connecting individuals to support services and safe, permanent housing; [The Helping Hand Mission](#), which supports families in need by providing food, clothing, furniture, and shelter; and [InterAct](#), Wake County's sole provider of domestic violence and sexual assault services, dedicated to saving lives, rebuilding futures and ensuring safety for individuals and families.

APG is proud to be a major sponsor of the [IDYL School](#) in Durham, a charter school serving students in grades 3 through 8 from low-income neighborhoods. These students often face significant challenges, including food insecurity. APG's support includes monthly donations to provide meals for students, food bags to take home on weekends and initiatives like Backpack Buddies, coat drives and toy drives.

In 2024, APG hosted its second annual Career Day for IDYL's 8th graders, inspiring students by demonstrating how their education today builds the foundation for a successful future. Additionally, APG has had the honor of supporting a specific family of five children—three of whom attend IDYL—who have experienced unimaginable loss. Our efforts include sponsoring grief counseling summer camp for the brothers and providing birthday and holiday gifts and groceries to offer comfort and stability during this challenging time.

Additionally, team members volunteered hundreds of hours across various organizations, including food drives, mentoring programs and neighborhood cleanups. By investing time and means, APG is committed to making a meaningful, lasting difference in the lives of those in our community.

We sincerely appreciate our leaders and committed team members who contributed to the success of the 2024 ITG Team. A heartfelt thank you to [Jim Anthony](#), [James Anthony III](#), [Elizabeth Johnson](#), [Vickie Edwards](#), [Alicia LaBoy](#), [Bob Touchton](#), [Tina Bridgers](#), [Lindsey Crafts](#), Matt Baldwin, Kristen Johnston and Nelson Joway for your generous support and outstanding dedication!

Heading into 2025, APG is focused on increasing our philanthropic impact, building stronger communities and living our values through impactful and meaningful actions.
